

A "Must Read" for Anyone Touched by Cancer

CANCER REPORT

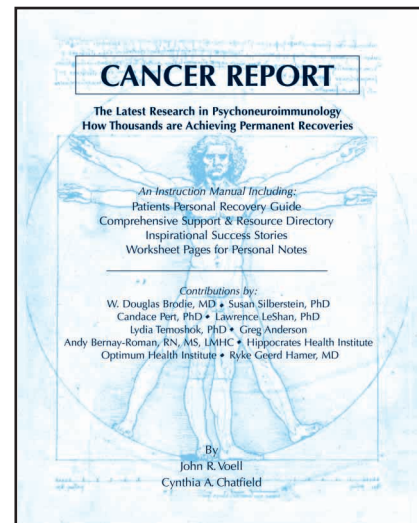

How Thousands of People are Achieving Permanent Recoveries

Do you have a cancer-prone personality?
Specific stressful feelings and emotions have now been
clearly identified as cancer-promoting.

Cancer Report includes studies based on 30 years
of research with 70,000+ cancer patients.

Research provided by:

W. DOUGLAS BRODIE, MD CANDACE PERT, PHD
SUSAN SILBERSTEIN, PHD LYDIA TEMOSHOK, PHD
LAWRENCE LE SHAN, PHD RYKE GEERD HAMER, MD

“The *Cancer Report* is wonderful! Practical, organized, and user-friendly. The *Cancer Report* provides us with specific healing wisdom that’s not easy to find elsewhere. Bravo!”

– **Christiane Northrup, MD**, bestselling author of *Mother-Daughter Wisdom*,
The Wisdom of Menopause, and *Women’s Bodies, Women’s Wisdom*.

“The world is finally ready to read and put into practice the remarkable breakthroughs in healing outlined in this report, moving everyone from a cancer victim to a cancer victor.

Even the well can benefit from this information.”
– **Louise Hay**, bestselling author of *You Can Heal Your Life* and *Empowering Women*.

Attention Health Care Professionals...
